## 2019 GEORGIA LEGAL FOOD FRENZY

Results and Appreciation

In 2019, our LLH Team raised **\$5,368.00 AND** collected **1,572 pounds of food** for the Atlanta Community Food Bank. **Including bonuses, our team earned 28,805 total points and 167 points per person.** We ranked:

- **5<sup>th</sup> Statewide in the Firm: Large (101 or more employees) Category for Points Per Person**
- **9<sup>th</sup> Statewide in the Firm: Large (101 or more employees) Category for Total Points**

Without a doubt, these results were not possible without the **GENEROSITY OF EVERYONE** who made a monetary donation (online or cash), brought in food to be donated, picked up donations and dropped off to the food bank. Many employees and their friends and families participated this year, and we are incredibly grateful for their support. A further THANK YOU goes out to the incredibly generous property management companies that assisted in making food donations and monetary donations for the benefit of our firm's team this year, including (in alphabetical order):

Access Management Group  
Beacon Management Services  
CMA (Community Management Associates)  
First Service Residential  
Heritage Property Management Services, Inc.  
HMS (Homeowner Management Services, Inc.)  
Homeside Properties, Inc.  
Liberty Community Management

*Some photographs of our amazing team effort are provided in this newsletter. Another successful year of donating is in the books, and we are getting ready for 2020.*

***Are you ready to make a difference this year?!?!***

Alpharetta, GA 30005

Dear Cynthia,

Thank you for your leadership as the champion for **Lueder, Larkin & Hunter, LLC** during the 8<sup>th</sup> Annual Legal Food Frenzy. With your support, Georgia's legal community raised a record-breaking 1.67 million meals for our Food Banks and the children and families they serve.

It was incredible to see more than 193 firms and legal organizations and over 15,000 members of the legal community come together for this important cause. This could not have been done without your passion and commitment to the children in our community who struggle with hunger.

Lueder, Larkin & Hunter, LLC specifically raised \$5368 and 1572 pounds of food for Atlanta Community Food Bank. Thank you so much for this outstanding generosity.

Statewide you ranked:

- 9 in the Large Firm Category for Total Points with 28,805 Total Points
- 5 in the Large Firm Category for Points Per Person with 167 Points Per Person

While the Legal Food Frenzy represents two weeks of our lives, this will have a lasting impact on the children and families served well beyond this summer. Studies show that kids who have access to proper nutrition have better education and health outcomes, something we know will help them thrive in the long term. Your efforts have helped give them a chance at a bright future.

Again, I thank you for your leadership and mobilizing your colleagues and clients to fight hunger in support of your food bank. We hope you will help us build on this success during the 9<sup>th</sup> Annual Georgia Legal Food Frenzy, which will run **April 20 – May 1, 2020**

Sincerely,

Chris Carr  
Attorney General of Georgia
